It's Bach.

Ah- Yeah
I know Min. Bach

Didn't he have a
nickname like that?
The composer?

Yeah...
It is very
nice, but...

It doesn't
suit a place

Will you play
it again?

I'll try to change
it up a bit.

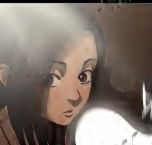

The way it's
written right now...

Is a little stiff.

CHAPTER 17

ON MY
POOR HEART...
DO YOU KNOW
HOW MUCH YOU
SCARED ME!

ARE YOU
ACTING LIKE
THIS WHILE NOT
KNOWING WHAT
TOMORROW IS?

Who...who
brought me
here...?

Oh my
goodness...
Oh, my heart...

A bar called
Dentice's made
a phone call to
our agency.

They said you
had collapsed.

It's your first
performance
without your
father?

What are
you going to
do if you're
this chosen?

What if something
happens at your perfor-
mance tomorrow
because you're
acting like this?

Haa...

*What was that
back then...*

Those feelings...

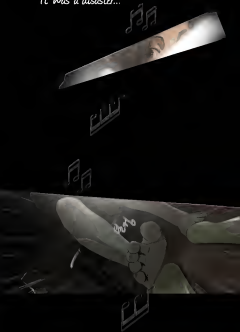

Being undeterred...

Even though it was wrong...

Freedom.

It was a disaster...

It really was a disaster, but...

He looked so free...

Dad...

You told me mistakes
were unacceptable...

Bed...

SOB...

SNIFE...

What is this...

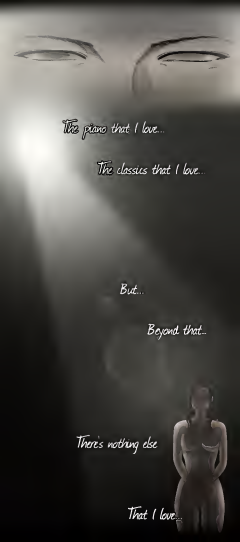

The Following Day

The piano that I love...

The classics that I love...

But...

Beyond that...

There's nothing else

That I love...

Inside my head...

It's still inside my entire body...

...Yesterday's freedom...

I need to forget it...

Does freedom ever exist someone like me...

I need to forget...

The life that I've been given permission to live...

Does not include something like yesterday's freedom...

...I know this, don't I...?

I need to forget...

I'll forget, and...

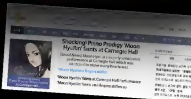

Go back to the way I was before...

Continue to live as I have...

Salutations.

I hope everyone enjoyed reading Chapter 21 of Diamond Dust.
It is my sincerest wish that it has left a warm feeling in everyone's hearts.

It will be Thanksgiving soon.

I would like to wish everyone a happy Thanksgiving ahead of time.
I hope that all the readers will enjoy the holiday as much as possible.

L/R: THIS CHAPTER WAS RELEASED THE WEEK BEFORE KOREAN THANKSGIVING.

Actually... The real reason for my sudden appearance is...
I would like to share important news that correlates
with the coming of Thanksgiving.

Taking our sincere hearts into our hands, to everyone
looking forward to walking back to their hometowns...

Are your trips a light one?

Presents that make you wonder if they were given
with good intentions or just to show-off...

Those kinds of presents really upset me.

Thus, I have prepared this.

This book is an excellent investment.

There is nothing fun on TV during the holidays.
However, my manhwa 'Last' is very fun to read.
Doesn't this qualify as 'holiday reading' for all those
intellectual readers out there?

Words like 'party' come up often in 'Last'.

This manhwa couldn't possibly be referred to as not being related to the holiday festivities.

A party amongst family.

A party amongst brothers.

A party where you play cards with relatives
you haven't seen in a long time.

I may have delivered some fresh, exciting news,
But my face seems to be turning red.

I am embarrassed.

Though I am promoting 'Last' at this time,
I am currently serialized to write Diamond Dust.

Living their respective lives for 20 some-odd years,
then running into each other by chance,

Slowly learning the mysterious personality
of the other,

And slowly growing closer to
each other..

Is the romantic plot of
Diamond Dust.

Love will be found.

I hope that you will all love Diamond Dust
very much from here on...

I now ask that...

Everyone be in good health
and enjoy the holidays.

From,
Kang Hyung-Gyu.

How
old are
you?

Hmm?

1/8. "20" IS HOW CARLS ADDRESS BLANK PAGES.

...Oh yeah?

What?

So I've been
talking familiarly to
you unknowingly
all this time?

I've written and talked to Jephthah and they are asking the same old
question: "Is this a...? Is this a...? Is this a...?" "Is this a...?"
"Is this a...?" "Is this a...?" "Is this a...?" "Is this a...?"
"Is this a...?" "Is this a...?" "Is this a...?" "Is this a...?"
"Is this a...?" "Is this a...?" "Is this a...?" "Is this a...?"

I bet you were thinking
that I looked up how old
you were and that's why I
have been talking to you
this way, right -?

WRGH!

Should we
fly somewhere
tomorrow?

Lee JooWon

A person who...
suddenly became a part of my life..

1/4. THEY FLY DOWN TO JEJU ISLAND, A TINY ISLAND NESTLED IN SOUTH OF SOUTH KOREA,
OF THE POPULAR PLACE TO GO FOR FOREVER'S.

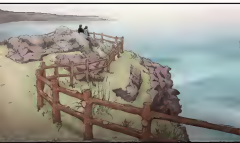

1/18 19540000 L&L SANCTUARY, APOLO BOY

I am happy...

Freedom...

This kind of freedom...

Makes me happy...

It really makes me happy, but...

I am afraid...

Why am I afraid...

I...

I have never opened my heart to anyone else...

l...

I must be afraid of showing you who I am.

This person...

Would it be okay...

To tell him my story-?

Jeju Island is really nice...

It's the first time I've been here...

How have
you lived,
oppai?

Hai!
How have
I lived?

By eating
and playing
music.

Come on! You know that's not what I meant!

How have you lived? These 28 years?

You first... I'm a little curious...

Do you
really...

Want to
know?

...Yeah.

.....

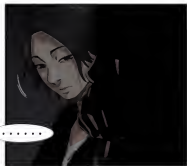

Hah...

To have grown
up like that,

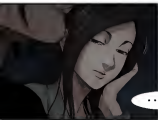

In a world
like this...

Heh~

.....

.....

My
hands
aren't
completely
smooth,
don't you
think?

They
are as
soft as
ever...

This, here!
Like this! Again!

Atxok

They have to
loosen up more.

That's enough.
Don't force yourself.

So what if they
don't loosen up.

Oops,
they have to loosen
up...then if I have to
rip them apart...

...There's no
need for that...

Don't do that
to your hands.

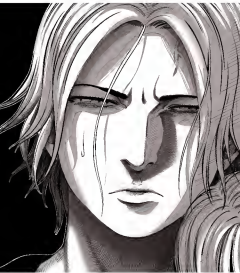

What I was afraid of...

... Has now disappeared.
